## MORE MENTORS IN SCHOOLS

We prayed for more people to start mentoring students in schools. In April, seven people committed to mentoring at a Eugene Middle School. The school counselor was ecstatic at the answer to prayer, **as it doubled the program!**

## FUNDING FOR KIDS LITERACY

We pray for children to read at grade level by third grade, as currently more than half of school-aged children in Lane County do not. This spring, the City of Eugene devoted a one-time sum of \$100,000 to help young people learn to read, which will be used in partnership with local school districts. This needed resource is an answer to prayer along the way to the long-term goal of childhood literacy!

## STEPPING TOWARD A MENTAL HEALTH CRISIS CENTER

In May, Lane County committed the first one million dollars to a new Mental Health Crisis Center (an agreed upon necessity according to first responders, government, the justice system and nonprofits). We are praying specifically for the creation of a County Mental Health Crisis Center to provide experienced care for suffering individuals and alleviate pressure from hospitals, first responders and the jail.

## BUSINESS: A NEW PERSPECTIVE ON GODLY WEALTH

A pastor had a meeting with a business leader on his church's *One Church – One Day* prayer day. Their conversation turned to a discussion about wealth. Through the conversation, God gave the businessman a new perspective on godly wealth, and revealed some lies he believed. Later the pastor remembered the prayer request on the prayer guide, *"Pray for a wise, positive and godly perspective on creating wealth: For local wealth to express Jesus' love and be utilized for the greatest good."* The discussion was an answer to this prayer request in the businessman's life. His renewed perspective on godly wealth is sure to influence how he leads his business.

## MIGRAINES HEALED

A core member of a Eugene church could no longer participate in the outreaches she loved because of debilitating migraines. A few members of the church prayed for her healing. To this day, **she has not suffered from another migraine!**

## NEW LANE COUNTY SHERIFF

The decision came quickly, and it is another example of God guiding the selection of community leaders. Cliff Harrold, former Deputy Chief Sheriff was chosen as the new Lane County Sheriff. Chief Harrold has served on the Police and Fire Strategic Team from the beginning of *One Church – One Day*. The morning the next Sheriff would be selected, seven pastors, a civic leader and a UO vice-president agreed in prayer that God would select the right person. Later that morning Cliff Harrold was appointed Sheriff.
