

# KIDS PRAY

Community Prayer Guide for Kids

## WELCOME TO FALL!

It's a such a wonderful season of the year. The rain returns, the colors change, the air is chilly, and pumpkins abound. In the midst of our wonder at the beauty God has created for us to enjoy, we want to encourage your family to join us with in praying for our community in three very important ways:

- **EDUCATION**
- **FIRST RESPONDERS**
- and **CHURCHES**

Look on the next page to find out more about each one. Then let us know how God answers your prayers by visiting us online at:

## EDUCATION

**PRAY** Pray for students and teachers to **feel loved and supported**. Ask God to bring **new teachers and volunteers**, who love God, into the schools to help.

**DO** **Make a list of your teachers** and pray for a different one each week.

## FIRST RESPONDERS

**PRAY** We can ask God to watch over them and give them wisdom and courage to make the right decisions to protect and help people. Let's also remember to pray for their families to have peace while they are risking their life to save others.

**DO** **Make a "Thank You" card or a special treat** and take it to a local police or fire station near your home.

## CHURCHES

**PRAY** Pray for pastors and church leaders to stay strong and make wise decisions for their people. Pray that the gospel will continue to reach more and more.

**DO** **Invite a friend** to come to an event that your church is hosting during the holidays.
